blockhaus de type R5

armement : 5 Fusil Mitrailleurs ou 5 Mitrailleuses

A photograph of an outdoor storage area. On the left, there is a large pile of cut logs. Behind the logs is a wooden fence and some green foliage. In the center, there is a dark, shadowed area where a red arrow points to a small, indistinct object. To the right of the arrowed object is a structure made of vertical wooden planks. Further right is a large, dark, corrugated metal surface, possibly a shed or a large barrel, with several horizontal bands. In the bottom right corner, there are some red hoses or cables. The text "BEF 347" is written in red in the lower-left quadrant of the image.
