

An aerial photograph of a residential neighborhood. In the center, there is a large house with a grey roof and a prominent chimney. To its left is a smaller building with a grey roof and a single window. To its right is a larger building with a red roof and multiple windows. The area is surrounded by green lawns and trees.

A black and white aerial photograph of a residential neighborhood. Several houses with different roof styles and lawn areas are visible. A red vertical line runs down the center of the image, separating it from the 2024 view.

1965

A color aerial photograph of the same residential area shown in the 1965 view. The houses and lawns appear more vibrant and detailed. A red vertical line runs down the center of the image, separating it from the 1965 view.
